DYSPEPSIA OVERCOME

Sarsaparilla.

When you have dyspepsia your life is miserable. You have a bud taste in your mouth, a tenderness at the pit of your stomach, a feeling of puffy fulness, hendache, hearthurn, and sometimes nausea.

Dyspepsia is difficult digestionthat in what the word means and the early way to get rid of it is to RICHMOND'S DOORS OPEN TO give vigor and tone to the stomach and the whole digestive system Hood's Sarsaparilla, sold by all drug gists, is the one medicine which nots on the stomach through the blood and also directly. Its beneficial of fects are felt at once. Improvement begins immediately.

Hood's Sarsaparilla purifies th blood, makes the rich jed blood that is needed for perfect digestion, and builds up the whole system. No other medicine can take its place.
